

Go Green Comfort Care Plan

Unitary AC or Heat Pump Maintenance Plan: Your Year-Round Comfort Solution

Ensure Year-Round Comfort and Efficiency!

Join the Go Green Unitary Heat Pump Maintenance Plan and enjoy comprehensive care for your HVAC systems, ensuring your home stays comfortable while maximizing the efficiency and lifespan of your equipment. This plan is specifically designed for systems that include a gas furnace with a heat pump or an air handler (also known as an electric furnace) with a heat pump.

Initial Sign-Up

Cost: \$525

Coverage:

- Includes one unitary heat pump system with a backup indoor ducted unit.

Visits:

- **Three Initial Visits:** Comprehensive assessment, cleaning, and optimization for both heating and cooling seasons.

Renewal Plan

Cost: \$350

Visits:

- **Two Annual Visits:** Covers comprehensive assessment and cleaning for both heating and cooling seasons.

Plan Benefits

- **Expert Maintenance:** Our skilled technicians provide thorough inspections, cleanings, and performance evaluations to keep your heat pump system in top condition.
- **Energy Efficiency:** Regular maintenance ensures your system runs efficiently, reducing energy consumption and saving you money on utility bills.
- **Extended Equipment Lifespan:** Preventative care helps avoid costly repairs and extends the life of your HVAC systems.
- **Priority Scheduling:** Enjoy priority service scheduling, ensuring your maintenance visits are convenient and timely.
- **Customer Support:** Our team is always ready to assist you with any questions or concerns about your systems.
- **Peace of Mind:** With regular maintenance, you can relax knowing your home will stay comfortable throughout the year.
- **10% Off Repairs:** Members receive a discount on any necessary repairs.
- **Discounts on New Equipment:** Members enjoy loyalty discounts on new equipment purchases as part of our appreciation for their continued service with Go Green.
- **Membership Duration:** Membership lasts for one calendar year upon sign-up. Even if a maintenance visit occurs before the membership expires, the benefits continue until the end of the term. We've got your back!

Savings for Members

- **Normal Visit for Non-Members:** \$300 per visit
- **Cost for Members:** \$139.33 per visit
- **Annual Savings:** By joining our maintenance plan, you save \$160.67 per visit and receive additional benefits and discounts.

Detailed Breakdown

Initial Plan

First Visit:

- Initial assessment and cleaning
- System check and data collection
- We will review the state of your HVAC system and inform you about any required maintenance actions.

Second Visit:

- Follow-up maintenance for the next season (heating or cooling)
- Seasonal check and performance tuning to ensure optimal operation for the upcoming season

Renewal Plan

Annual Visits:

- Two visits covering heating and cooling seasons for your home comfort success.

Additional Services

- **Deep Cleaning:** For systems with excessive buildup, we offer a comprehensive cleaning service that includes pulling and removing the blower motor to ensure optimal performance.
- **Indoor Air Quality (IAQ) Enhancements with Respicaire:** Enhance your home's air quality with Respicaire products. Respicaire offers advanced air purification solutions that effectively reduce airborne particles, allergens, and pathogens, providing cleaner, healthier air.
- **Filter Upgrades:** Upgrade to high-efficiency filters to capture more airborne particles and allergens, providing cleaner air in your home.
- **Repairs and Improvements:** We can note any necessary repairs or recommended upgrades to keep your system running smoothly.
